Parking

There are two designated parking spaces outside Butler's Lodge for your cars whilst staying there. However, if you have any guests visiting - subject to current Government Covid-19 guidelines - please tell them not to park past Butler's Lodge as this is private parking for residents only. They can park in the yard area which is outside the front of the Cottage and Estate Office.

Welcome Pack

Normally you would find a welcome pack on your arrival for your convenience. However, due to Covid-19 this will temporarily not be provided. You will also find a starter pack of washing up liquid, dishwasher tablets, washing powder and two toilet rolls for your stay. If you require any more of these items, you can purchase them at the Co-Operative Supermarket and other stores in Aboyne.

Amenities & Services

The cottage is also equipped with a hair dryer and an ironing board. The cottage has sky Freeview television and a DVD player so you may wish to bring some DVDs with you. There is Wi-Fi in the cottage and the login details can be found inside the digital information pack provided. A cot duvet and sheet can be supplied on request, but clients may prefer to bring their own. Please note however that the duvet is not recommended for use for babies under 1 year old. Due to Covid-19 we are currently unable to provide **mid-week cleans**. However, we can offer non-contact **bed linen service** at the cost of £10 per bed. This includes the pickup off used linen and drop off clean linen. At the end of your stay, we ask you to **strip all beds** used and leave your linen and towels in the laundry bag provided. Additionally, we ask that you **empty all bins** and place these bin bags in the outside bin. Should the caretaker need to spend more time than normal to prepare for the next clients, you may be charged for the extra time. Should you require any further details please do not hesitate to contact us. We wish you an enjoyable stay at Glen Tanar.
