Contract and Booking

1. You may request a booking either via our online reservation system, or by contacting us directly by other means available including but not limited to by telephone or by email. If you submit your booking via our online reservation system, you will receive a booking summary by email to the address you provide in the booking form. This does not form a contract between us. A contract shall arise only when your deposit payment, and any other payment due to us in accordance with Clause 8 has cleared, and your booking is subsequently confirmed by us to you in writing by a letter of confirmation, which shall be sent to you by post or by email.
2. If we are unable to accept your request to make a booking, we will inform you of this in writing and will not charge you for the booking requested. This might be because of lack of availability, because of unexpected limits on our resources which we could not reasonably plan for, or because we have identified an error in the price or description of the services.

3. We will assign a booking reference number to your booking and tell you what it is when we accept your booking. It will help us if you can tell us the booking reference whenever you contact us about your booking.
4. You must be at least 18 years of age and authorised to make the booking on the basis of these terms by all other members of the party. By making this booking, you confirm that you are so authorised and that you have agreed to the terms herein.
5. When you receive your confirmation, you should check the details carefully. If anything is incorrect, you must tell us immediately. We cannot be held liable for any mistakes that arise from you providing the wrong booking details.

Payment and Deposits

6. You will make payment to us in accordance with the information on price and payment of the services provided to you. Such information may be made available to you either via our Website or may be provided to you by us via other means, including but not limited to, by telephone or by email correspondence or by a quotation issued to you by us. For some of our services offered, this may include a deposit payment.
7. If a deposit payment is required, we require an initial deposit of forty percent (40%) of the total sum payable for the services, unless otherwise agreed, to secure your booking. This deposit is non-refundable after seven (7) days from the date of booking. Payment of the deposit shall be made at the time of booking. If you are paying by cheque, this should be made payable to "Glen Tanar Estate."
8. The total balance payment of your booking, as well as any security deposit that may be applicable as detailed in Clause 48 below, should be paid in full at least twelve weeks before commencement or, if there is less than twelve weeks until the commencement of the services booked, it shall be paid in full at the time of booking. Payments can be made by cheque, (provided enough time is allowed for the cheque to clear before the services commence) or by electronic transfer, unless you are using our online reservation system, in which case bookings should be paid via electronic transfer or credit card payment only. In circumstances where you do not use our online reservation system to request a booking, we can provide bank account details for an electronic transfer or credit card payment to you on request.
9. Please make sure we receive your payment on time. If any payment due in relation to your booking is not paid by the appropriate date as specified during the booking process then we are entitled to assume that you wish to cancel your booking, and we may re-book as soon as the due date for payment has passed. In this case, we will be entitled to keep all deposits paid at that date. We will normally send out a reminder to you before your booking is cancelled.

Details on our Website

10. We will take all reasonable care to ensure that all details, descriptions, and prices of items appearing on the Website are correct at the time when the relevant information was entered onto the system. Although we aim to keep the Website as up to date as possible, the information appearing on the Website at any time may not always reflect the position exactly at the moment you place an order.
11. We may update and change our Website from time to time to reflect changes to our services, our users' needs and our business priorities.

12. We do not guarantee that our site, or any content on it, will always be available or uninterrupted. We may suspend, withdraw, or restrict the availability of all or any part of our site for business and operational reasons. We will try to give you reasonable notice of any suspension or withdrawal.

Your rights to make changes

13. If you wish to make a change to your booking, please contact us. We will let you know if the change is possible. If it is possible we will let you know about any changes to the price of the booking, the timing of supply or anything else which would be necessary as a result of your requested change and ask you to confirm whether you wish to go ahead with the change. If we cannot make the change or the consequences of making the change are unacceptable to you, you may want to end the contract (see Clause 28 – Your rights to end the contract).

Our rights to make changes

14. We do not expect to have to make any changes to your booking, but occasionally problems may occur, and bookings have to be changed or cancelled.
15. Minor changes to the services. We may change the services:
- to reflect changes in relevant laws and regulatory requirements.
 - to implement minor technical adjustments and improvements, for example to address a security threat. If this does happen, we will contact you to notify you via by post or by email.
16. In addition, we may make more significant changes to these terms or the services, but if we do so we will notify you (by telephone where reasonably possible) as soon as reasonably practicable and you may then contact us to end the contract before the changes take effect and receive a refund for any services paid for but not received.

Alternatively, in the case of a booking for accommodation, we will, if possible and as soon as reasonably practicable, offer you an alternative property (from the range advertised by us) of similar type and standard in a similar location for the same or similar time of year. If you accept this alternative property, you will not be required to pay any more than the price you paid for the original property.

If the alternative property is advertised at a lower price you only need to pay the lower price.

If the booking is for any other service provided, we will, if possible and as soon as reasonably practicable, offer you an alternative date for the services. If you accept this alternative date, you will not be required to pay any more than the price you paid for the original booking made.

In the unlikely event that you fail to tell us as soon as reasonably possible that you wish to accept any change or alternative property or dates for services offered, we are entitled to assume you wish to cancel your booking and you will receive a full refund of all monies paid to us in connection with the relevant booking.

Providing the services

17. We provide the services to you in accordance with the dates and times set out in our letter confirming your booking made.
18. We are not responsible for delays outside our control. If our performance of the services is delayed by an event outside our control, then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event,

but if there is a risk of substantial delay you may contact us to end the contract and receive a refund for any bookings you have paid for but not used.

19. We may need certain information from you so that we can supply the services to you, for example, your contact information or payment information. If so, this will have been stated within the booking process. If you do not give us this information required, or if you give us incomplete or incorrect information, we may end the contract. We will not be responsible for providing services late or not supplying any part of them if this is caused by you not giving us the information when requested.
20. We may have to suspend the services to:
- deal with technical problems or make minor technical changes;
 - update the services or our health and safety measures to reflect changes in relevant laws and regulatory requirements;
 - due to bad weather conditions;
 - due to specific conditions that may affect the particular services booked (e.g. avian flu);
 - to comply with law or in accordance with any guidance issued by the UK or Scottish Government or public health guidance; or
 - make changes to the services as requested by you or notified by us to you (see Clause 13).
21. We will contact you in advance to tell you we will be suspending the services unless the problem is urgent or an emergency. If we have to suspend the services, we will adjust the price so that you do not pay for services while they are suspended, if applicable. You may contact us to end the contract for a service if we suspend it, or tell you we are going to suspend and we will refund any sums you have paid in advance for the services in respect of the period after you end the contract.

Your obligations

22. You will comply with instructions provided to you by our staff during your use of the services.
23. You will comply with the guidance and/or any codes of conduct information as made available to you either via our Website or issued to you by us as is relevant to the particular services that you have booked.

Your rights to end the contract

Frustration of the contract due to COVID-19

27. In accordance with guidance issued by the Competition and Markets Authority, if due to restrictions being implemented in Scotland, the UK or abroad:
- you are prevented from using the accommodation or receiving or using our services (for example, lockdown measures have made it illegal for us to provide the accommodation or services or you are unable to travel to our premises); or
 - a key element of the services cannot go ahead or there is a material impact on the number of people that can take part in the services or use the accommodation,

then our contract with you will be frustrated and come to an end. In that case we will first seek to agree a rescheduled date (or dates) with you. If we are unable to agree a rescheduled date with you and to the extent that you are unable to recover any sums paid to us under any insurance cover that you have then, subject to Clause 29, we will refund you in full for any sums paid to us (including your deposit) for services which have not been provided to you.

Ending the contract because of something we have done or are going to do.

28. If you are ending a contract because of something we have done or have told you we are going to do, as detailed in the list below in this Clause 28, the contract will end immediately and subject to Clause 29 we will refund you in full for any services which have not been provided to you and you may also be entitled to compensation. This includes the refund of any deposit payment made by you. The reasons are:
- we have told you about an upcoming material change to these terms which you do not agree to;
 - we have told you about an error in the price or description of the booking you have made, and you do not wish to proceed;
 - there is a risk that the ability to fulfil the booking may be significantly delayed because of events outside our control;
 - we have suspended bookings due to any of the reasons set out in Clause 20; or
 - you have a legal right to end the contract because of something we have done wrong.

Ending the contract for any other reason

29. If you end the contract for a reason not listed in Clauses 27 or 28 above, then the contract will end immediately but you will not be entitled to any refund or compensation.

30. Notwithstanding Clauses 27 and 28 above, we may deduct from any refund an amount for the supply of the service for the period for which it was supplied, ending with the time when you told us you request to end the contract or (in the case of paragraph 27) the contract is frustrated. The amount will be in proportion to what has been supplied, in comparison with the full coverage of the contract.
31. If your booking is for accommodation services, you will have additional cancellation rights as detailed in Clause 50 below
32. If you wish to exercise your legal rights to reject the services purchased please contact us at info@glentanmar.co.uk.

Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both we and you knew it might happen, for example, if you discussed it with us during the booking process.

Delay in enforcing this contract

45. If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date. For example, if you miss a payment and we do not chase you, but we continue to provide the services, we can still require you to make the payment at a later date.

Dispute Resolution

46. Alternative dispute resolution is a process where an independent body considers the facts of a dispute and seeks to resolve it, without you having to go to court. If you are a consumer and are not happy with how we have handled any complaint, you may want to contact the alternative dispute resolution provider we use. You can submit a complaint to Retail ADR via their Website at <http://www.retailadr.org.uk>. In addition, please note that disputes may be submitted for online resolution to the European Commission Online Dispute Resolution platform at <https://ec.europa.eu/consumers/odr/main/>, a portal through which you can submit a complaint to a registered Alternative Dispute Resolution Provider. However, please note, Retail ADR is the approved Alternative Dispute Resolution Provider for the United Kingdom and so it is likely that disputes logged via the EU ODR Platform will be dealt with under the Retail ADR dispute resolution procedure in any event.
